September 2024 at the library

Join Us for Voter Registration Day at the Library!

We're excited to invite you to our Voter Registration Day on September 17th! It's a great chance for everyone to get involved and make sure they're ready for the next election.

Here's what's happening:

****Voter Registration Help:** Our team will assist you with registering to vote or updating your details.

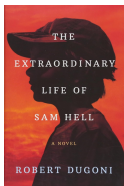

****Fun for All Ages:** Kids can enjoy storytime, crafts, and games, while adults can learn more about voting and civic engagement. Kids will get a chance to create their own voter registration card and vote for the VP of the library!

On this special day, we're combining civic engagement with community celebration. Not only can you register to vote and ensure your voice is heard, but you'll also have the chance to vote for your favorite bookmark designed by talented patrons. The winning bookmark will be featured in our library!

To keep the energy high, we're thrilled to offer refreshing Little's Water Ice, perfect for cooling down and satisfying your sweet tooth. The afternoon will be packed with family-friendly activities, so bring the kids and enjoy games, crafts, and more. It's a fantastic opportunity to get involved in the democratic process while having a great time with your community.

We can't wait to see you there!
See our website for more details!

What are we Reading?

Lisa Katzenberger's "A Love Letter to My Library" is a delightful tribute to the wonders of libraries.

With playful text and vibrant illustrations, the book celebrates libraries as havens of learning and imagination. It invites readers to appreciate their local libraries as community treasures.

Perfect for young readers, it's a charming reminder of the magic found in books and library spaces.

COMING SOON

A new & improved North Wales Area Library website!

Great news—our new library website is on its way! While we transition, you might notice some quirks on the current site. We appreciate your patience and understanding as we work to bring you a better online experience!
