FROM THE DIRECTOR

It was exciting to celebrate Earth Day learning that we were selected to receive free LED lighting fixtures for the entire Library! The main section of the Library already has LED but this program will provide the fixtures for the restrooms, hallway, offices and community room. Installation will begin in May.

The Swedesford Garden Club celebrated Earth Day working in the Library gardens. Thank you!

The Chamber of Commerce for Greater Montgomery County has provided the Library with FREE tickets to the Reading Phillies game on Saturday, May 11 at 6:45 PM. Call the Library at 215-699-5410 to confirm we still have tickets available.

We wish congratulations to all the graduates in our community.

Happy reading!
