

February 2024

FROM THE DIRECTOR

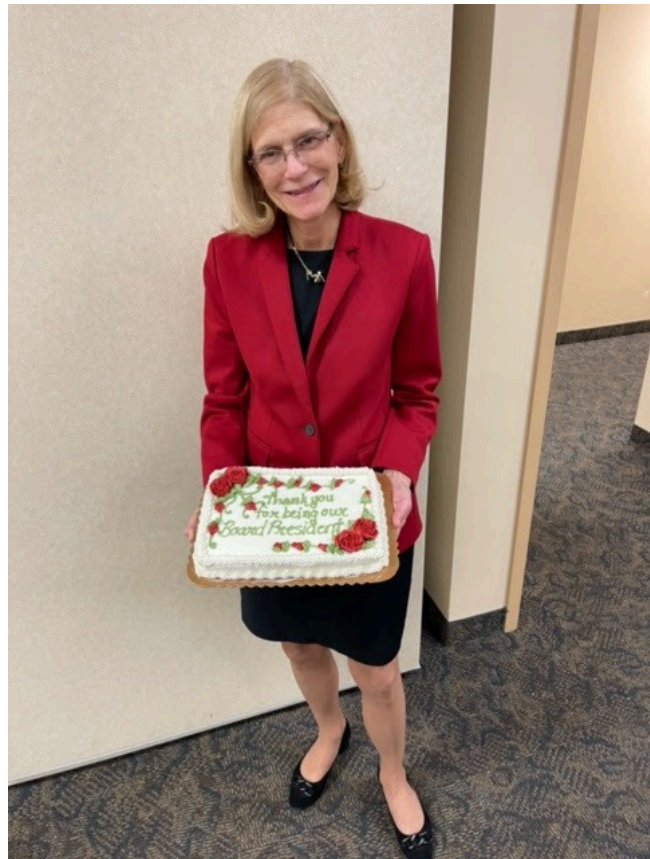

February offers a wealth of fun celebrations including Groundhog Day, Lunar New Year, Valentine's Day, President's Day and Leap Year Day! At the Library we will be offering an enormous assortment of programs for people of all ages. A calendar and details of the events is below.

Beth Duffy, President of the Library Board of Directors, has left her board position after many years of dedicated service. Vice President, Suzan Leonard, was elected President. Jackie Oberholtzer was elected Vice President. Hailey Nelson, CPA, will continue as Treasurer and Pam Wilson will continue as Secretary. Our best wishes to Beth and the newly appointed officers of the Board!

Happy February!

The poster for 'Toddler Art' is framed with a gold glitter border and set against a background of colorful watercolor splashes in yellow, green, blue, purple, and pink. The title 'Toddler Art' is in large, red, rounded letters. To the left of the title is a splatter of orange and blue paint. To the right is a small illustration of a paint palette with three colored dots (red, yellow, blue) and a paintbrush. Below the title, the date and time 'Wednesday, February 21st at 11:15am' are written in red, and 'Ages 1-6' is in black. A blue text box at the bottom right says 'Great Motor Skills Craft for Toddlers!'. On the left side, there is a photograph of a craft project: two white paper plates with cardboard tubes attached to their centers, one with green paint and the other with red. Below the plates is a piece of orange paper with a green snake-like craft made of connected circles and a red dot for a head. At the bottom left, a small black text box contains the registration information.
