A brighter future for our library and community – act now to make a lasting impact!

As we approach the end of another remarkable year, we find ourselves overwhelmed with gratitude for your unwavering support and dedication to our beloved library. Your commitment to fostering knowledge, creativity, and community spirit has been truly inspiring.

While we've made significant strides this year, we're reaching out one last time, as part of Giving Tuesday, to ask for your help in achieving our goals:

Infrastructure Campaign:

We're tantalizingly close to meeting our target! Your contribution, no matter the size, could be the one that pushes us over the finish line.

Children's Programming:

Your support ensures we continue to nurture young minds and foster a love for learning in our community's children.

Teen Outreach – Shelf Awareness:

Help us empower our teens through inclusive spaces and engaging programs tailored to their needs and interests.

Commemorative Bricks:

Consider purchasing a brick to honor a loved one, celebrate a special occasion, or simply show your dedication to the library. It's a lasting way to leave your mark on our community.

As we look forward to 2025, we're brimming with excitement about our upcoming Roots & Wings Campaign and the array of new, exciting programming we have in store. We invite you to join us on the journey of growth and discovery.

This holiday season, we kindly ask you to consider making a final donation to the library on Giving Tuesday to the initiative that resonates within your heart. Your generosity will help us continue to thrive and support our community well into the future. *Click on any of the bolded titles which will take you directly to each campaign to donate.*

With Gratitude,
Jennifer M. Koch
